We decided to move to Coast Smoke Alarms after being constantly frustrated with our previous provider and their lack of communication and personal care to our needs. Had we realised just how easy it was to move to Coast Smoke Alarms and the fantastic customer service we would receive, we would have moved much earlier.

Amy Banwell

Coast Smoke Alarms are an incredible partner to work with; their care of our clients is second to none and their professionalism is amazing. **I would highly recommend them to anyone seeking a passionate and professional smoke alarm company.**

Amy Bennett

We recently changed our entire portfolio to Coast Smoke Alarms and the **transition has been seamless.** Both Anne & Terry have been amazing, handling everything for us and making the entire process stress free. **All our urgent jobs now get handled promptly and professionally. Highly recommend.**
